

Mid-term Meeting Leuven.

16-17 January 2020

16 January Network Meeting 3

From the proposal:

ESRs present their CDP and progress towards first objectives. Also, a 6-month report (10-15 pages) comprising: (i) A review of the background literature in sufficient depth and breadth to enable a general reader to understand the basis for their project. (ii) A summary of the aims and objectives of the project. (iii) An account of the initial experimental/research design and how this will answer the aims and objectives or test any hypotheses put forward, plus an expected schedule of work. (iv) An indication of how results/data will be analysed. (v) A brief description of the research, giving specific details of where, when and if any additional training will be acquired. (vi) A summary of any difficulties/concerns with the project. (vii) A summary of any difficulties/concerns with supervision (if applicable).
